- Details of Pavement Rehabilitation •

PUBLIC MEETING

• Thursday •  
**June 30, 2016**  
**5:00 - 7:00 p.m.**  
Talkeetna Public Library  
24645 S. Talkeetna Spur Road

The State of Alaska Department of Transportation and Public Facilities invites you to a public meeting to kick-off construction of improvements to the Talkeetna Airport runway pavement. This \$6.8 million project will also include construction of a new Transient Apron, a General Aviation Apron, connection taxiways, taxilanes, a path and access roads.

The Construction contract was awarded to Ahtna Construction & Primary Products Corp in May 2016 DOT&PF would like to introduce Ahtna Construction & Primary Products Corp, let you know what to expect during construction, and discuss the current work that includes tree clearing and utility relocations.
